# Step 1 – Download the ZeusMobile app from the Play Store (Android) or App Store (Apple)

# Step 2 – Open the app, click on the gear icon, and enter the server details:
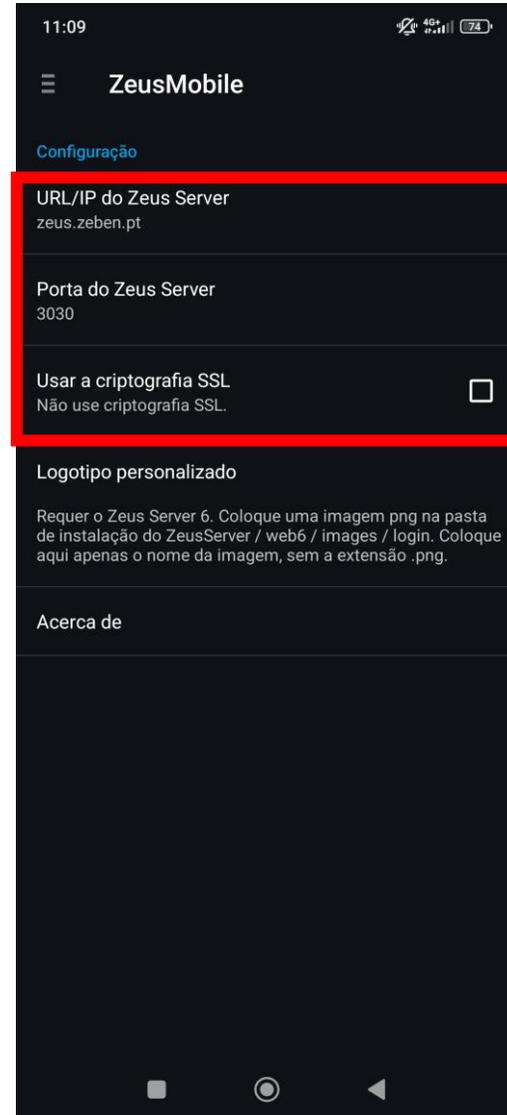

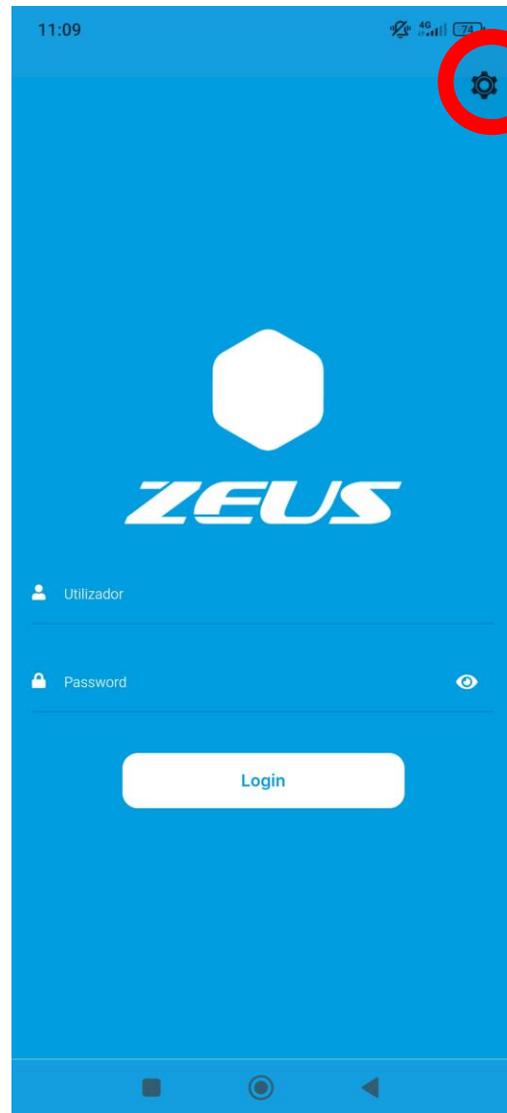

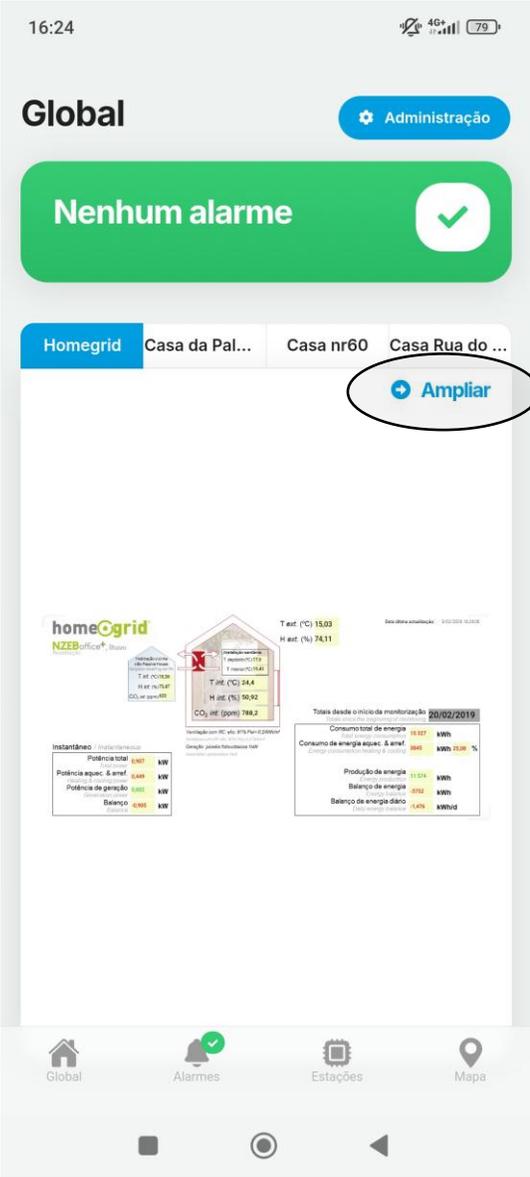

URL/IP: zeus.zeben.pt
Port: 3030
deactivate SSL

And then, enter:
Utilizador: Passivhaus
Password: Passivhaus

Step 3 – The Synopsis appears in the initial menu. To enlarge, click on the "Enlarge" button.

Rotate the screen to view in larger size

Step 4 – To access the map, simply click on the "Map" button. Here you can see the location and additional information.
